

Name _____ Date _____

6 Career Options

1. Consider all the things you have learned about yourself through earlier activities and attempt to develop a list of possible career options you feel are appropriate for you to consider for additional research. Remember this doesn't mean you have made a final career decision. You are still in the exploration and discovery stage. It isn't necessary to fill every line with an option.

Career Option 1 _____

Career Option 2 _____

Career Option 3 _____

Career Option 4 _____

Career Option 5 _____

2. After listing careers for consideration, use **Exercise 7 Career Research** to help guide your research on the career options you have chosen.
