A.S. Degree, Business Administration

Degree Type: AS

Major Code: BSADM-AS

CIP Code: 1506040102

The Associate in Science (A.S.) degree in Business Administration program includes business and general education courses designed to provide a solid background for further study and a career in business. The purpose of the Associate in Science (A.S.) degree in Business Administration program is to prepare the graduate either for entry into a career in the business community or for transfer into a Bachelor of Arts (B.A.) or Bachelor of Science (B.S.) degree program offered by several Florida public and private universities.

Major Courses

		Credits
ACG 2021	Principles of Financial Accounting	3
ACG 2071	Principles of Managerial Accounting	3
BUL 2241	Business Law I	3
CGS 2100C	Office Applications	3
ECO 2013	Principles of Economics (MACRO)	3
GEB 1011	Introduction to Business	3
MAN 2021	Introduction to Management	3
MAR 2011	Marketing	3

Electives

Choose a minimum of 16 credits.

CGS 2843	Survey of E-Business Technology	3
CTS 2701	IT Project Management	3
FIN 2100	Personal Finance	3
GEB 2350	International Business	3
MAN 2021	Introduction to Management	3
MAR 2141	Introduction to International Marketing	3
MAN 2300	Human Resources Management	3
MAN 2941	Cooperative Education Internship in Business	1
MAN 2949	Cooperative Education Internship in Business	3
MKA 2511	Advertising and Sales Promotion	3
MNA 1161	Customer Service Concepts	3
MNA 2320	Human Resources Recruitment/Staffing	3
MNA 2325	Human Resources Compensation/Benefits	3
MNA 2403	Human Resources Management Law/Regulations	3
OST 1355C	Records Management	3
OST 2794	Internet Research for Business	3

International Business Certificate

Certificate Type: CC

Major Code: BIB-CC

CIP: 0506180101

The purpose of this program is to introduce students to the factors that impact business operations conducted in the global marketplace. The student will be able to demonstrate knowledge of principles and practices of international business including:

- Understand the role of strategic planning and the development of marketing strategies for the international marketplace;
- Describe strategies for opening up foreign markets including: pure exporting; use of local distributors; global manufacturing, operating wholly owned subsidiaries and foreign direct investment.
- Demonstrate an understanding of demographics, market segmentation, and the selection of target markets as applied to the global business environment;
- Identify and explain the differences in international consumer and industrial buying habits.
- Understand the impact of language, culture, religion and local government regulations on the conduct of international business.
- Understand the complexity of product development, product naming and pricing in the international environment;
- Understand the complexities of developing worldwide distribution systems as they are affected by differing local laws, taxation and regulations.

Certificate is upward compatible with the A.S., Business Management, Marketing and Administration degree.

Major Courses		Credits/Hours

A.S. Degree, Construction Management			
Degree Type: AS			
Major Code: CNMGT-AS			
CIP Code: 1646041200			
Students graduating from this program would typically work for a commercial contractor as a Project Manager/Engineer, Estimator, Scheduler or Purchasing Agent. Students will understand the basic principles of business coupled with the technical aspects of the commercial construction industry. Under this program, students will learn commercial construction materials and methods. Students will be able to read blueprints, estimate quantities of materials, procure materials, and schedule work in a commercial environment.			
Major Courses			Credits
BCN 2235		Construction Materials and Methods	3
BCN 2272		Blueprint Reading	3
BCN 2721		Construction Planning and Cost Control	3
BCT 2730		Project Management and Supervision	3
BCT 2770		Estimating Fundamentals	3
EGS 1111C		Engineering Graphics-Drawing	3
ETD 1320C		Computer Aided Design I	3
SUR 2101C		Surveying	4
Support Courses			
BCN 2704		Contracts Codes and Specifications	3
BCN 2726		Construction Planning and Cost Control II	3
BCN 2563		Building Services Systems	3
BCN 2405		Building Structures	3
BCT 2731		Project Management Simulation	3
BCT 2771		Estimating II	3
Electives – choose five credits from the following list			5
ACG 2021		Principles of Financial Accounting	3
BCN 2949		Cooperative Education Internship in Building Construction	3
BUL 2241		Business Law	3

Program	Page	Change	Effective
A.S. Degree, Interior Design Technology Kitchen and Bathroom Specialization			
Degree Type: AS			
Major Code: INTKB-AS			
CIP Code: 1404050100			
The diversified courses in kitchen and bath design will prepare the designer to work effectively in the field. SCC is a National Kitchen and Bath Association (NKBA) endorsed college. Because of this endorsement, students will be awarded credit towards the certifications of a Certified Kitchen Designer (CKD) or a Certified Bath Designer (CBD). These credits may be used to reduce the time of experience needed before a working designer is permitted to sit for the certification exam(s).			
Major Courses			Credits
IND 2201		Design Principles for Kitchen and Bath	3
IND 2309		Drawing and Presentation Standards for Kitchen and Bath	3
IND 2402		Kitchen and Bathroom Planning-Standards and Safety Criteria	3
IND 2411		Building Materials/Construction and Estimating for Kitchen and Bath	3
IND 2420		Mechanical Systems for Kitchen and Bath	3
IND 2421		Equipment and Materials for Kitchen and Bath	3
Choose one option to total 6 credits:			6
IND 2946		Cooperative Education Internship in National Kitchen and Bath Design	3
and			
IND 2949		Cooperative Education Internship in Interior Design or	3
IND 2947		Cooperative Education Internship in National Kitchen and Bath Design	6
Support Courses			
IND 1010		Interior Design Studio I	3
IND 1100		Historic Interiors I	3

V.C., Construction Apprenticeship - Plumbing Technology

Certificate Type: VC

Major Code: PLUMB-VC

CIP Code: 0846050302

Apprenticeship training at Seminole Community College is provided in conjunction with local contractors and construction associations. Areas of study include electricity, fire sprinkler, and plumbing.

Training covers a specified period of time during which the apprentice learns a skill or trade under the supervision of a competent craftsman. Each apprentice must complete specified hours of on-the-job training and related classroom instruction. Standards provide for a schedule of work processes, from simple to the most complex, which the apprentice must follow during the on-the-job training. The apprentice's wages increase as skills and knowledge increase.

This is a limited access program. Candidates must:

- have approval from an apprenticeship coordinator to register for classes;
- apply and be accepted at Seminole Community College;
- be at least 18 years of age;
- be physically capable of performing the work of the trade;
- be able to read and write English;
- provide proof of Florida residency for the waiver status;
- be employed by a sponsoring company;
- students will be administered the Test of Adult Basic Education (TABE) within the first six (6) weeks of admission into the program.

Total program hours: 8720

Major Courses

		Credits/Hours
BCA 0001	Introduction to the Construction Industry	3/90
BCA 0454	Advanced Plumbing I	3/90
BCA 0451	Fundamentals of Plumbing II	3/90
BCA 0455	Advanced Plumbing II	3/90
BCA 0452	Fundamentals of Plumbing III	3/90
BCA 0456	Advanced Plumbing III	3/90
BCA 0453	Fundamentals of Plumbing IV	3/90
BCA 0457	Advanced Plumbing IV	3/90
BCA 0441L	Plumbing OJT (repeat four times)	21.33/640
BCA 0442L	Plumbing OJT (repeat eight times)	22.67/680

Total Hours: 291

C.C., Early Childhood Education Preschool Specialization

Certificate Type: CC

Major Code: CHLDP-CC

CIP Code: 0420020208

This 12 credit hour certificate recognizes the completion of a series of courses needed by the early childhood teachers who wish to pursue college credit study to complete the educational requirements for the National CDA certificate. The Department of Children and Families requires childcare centers to have employed teachers in their center who hold a CDA certificate. The certificate requirements meet the educational criteria to apply for the National CDA certificate.

Major Courses
