Faculty and Staff:

We are pleased to announce the official kick-off of the annual Blue & Gold Circle Campaign! This is the fourth year of the Blue & Gold Circle and our vision of a fundraising campaign for SCC, led by faculty and staff and driven by faculty and staff has truly been realized. Regardless of the campus that we work at, the job that we do, or the division that we are in, it takes every one of us to fulfill SCC's mission.

This year, we bring you Food for Thought, our campaign theme, as we encourage you to help nourish minds at SCC. Chew on this: As employees we raised nearly \$70,000 during last year's campaign. Our contributions were directly funneled into over 30 student scholarships, departments and programs. Contributions to the **Blue & Gold Circle** don't just help students hungry for education; they feed our minds as well. Donations feed programs that allow faculty and staff to succeed in and out of the classrooms and campuses, through awards, grants and professional development. This is just a taste of what the gifts to the Blue & Gold Circle do for our college, our students and for each of us.

Please accept this reusable lunch bag as a thank you for all you do for SCC and its students. It is our hope that you will consider bringing your lunch and donating the cost of eating out to the campaign. By giving up the funds for a day, a week, a month, or more you will be feeding the minds of the recipients for years to come. Thus, making Food for Thought a reality!

As volunteers for the 2009 faculty and staff campaign, we invite you to join the **Blue & Gold Circle** by making a gift to SCC and helping to achieve our goal. A personalized pledge card is attached so you can join our efforts. Please use this card to make a direct gift via check or credit card or establish a payroll deduction. Either way, simply return the pledge card provided through campus mail by October 30, 2009.

Success is in the bag!

volunteer campaign team

Thanks to faculty and staff for already participating in the College's payroll deduction option, we have already begun to nourish minds at SCC and have raised over \$40,000. If everyone would participate and make Food for Thought a reality we can exceed our goal!

What your contribution can do for SCC students:

- **\$5 a month (\$60):** Help buy a book for one class.
- **\$10 a month (\$120):** Help an Automotive student purchase the required tool kit.
- **\$25 a month (\$300):** Help provide one class and the required book for a deserving student.
- **\$42 a month (\$500):** Provide a scholarship for one semester for a talented student.
- **\$84 a month (\$1000):** Provide a scholarship for an entire year for a gifted student.

For 2009, The State of Florida will continue to match gifts designated for the First Generation Matching Grant Program, a need-based program available to degree-seeking undergraduates whose parents have not earned bachelor's degrees. Contributions to this program will be matched dollar for dollar.

Ways to Give

Employees may participate by:

- Payroll Deduction
- Cash gifts and personal checks
- Credit card gifts (MasterCard, VISA, and American Express)
