Pronunciation/Listening

- Have students listen to the tape recorded passage.

- Tape record several readings of the same passage with the following variations:
  - male voice
  - female voice
  - read slowly
  - read at normal rate

- Focus on modeling the correct pronunciation. Have students watch their placement in a mirror as they produce the targeted words.

- Listen and identify carriers of meaning (stress and intonation) that add information.

- Have students tape the passage or the targeted pronunciation vocabulary words.

- Think - Pair - Share: Instruct each student to ask and answer question(s) about the passage.

Reading

- Have students keep a pronunciation vocabulary log.

- Students can:
  - alphabetize the words.
  - write the definitions.
  - use the words in a sentence.

- Have students list sequence of events in the passage.

- Have students note on paper main ideas and supporting ideas or examples.

- Have students write questions about the passage.
