Emergency Medical Technician (EMT) to Emergency Medical Services (EMS-AS)  
Intra-Institutional Articulation Agreement  
Seminole State College of Florida

It is the intent of this agreement to provide individuals who are currently certified by the State of Florida as an Emergency Medical Technician (EMT), with college level course credit that can be applied towards an Associate of Science degree in Emergency Medical Services (EMS) at Seminole State College of Florida.

Student Procedures:

I  Students who wish to apply for college credit must make their request through the EMS Program Manager.

II Students seeking college credit must submit a copy of their current Emergency Medical Technician certification to the EMS Program Manager.

III Students seeking college credit must also submit an official transcript from the institution where they completed Emergency Medical Technician training. The official transcript is to be sent or submitted to the Registrar’s Office in Student Success Services.

IV Students complete the top portion of a “Request for Articulated Credit” form, which can be obtained from either the Fire Science/EMS Department or the Records Office. The EMS Program Manager reviews the EMT certificate for authenticity and attaches a copy of the certificate to the “Request for Articulated Credit” form. This form must be signed by the EMS Program Manager and submitted to the Registrar’s Office prior to credit being posted to the transcript.

Seminole State College Staff Procedures:

I The EMS Program Manager reviews and signs the Request for Articulated Credit form and attaches a copy of the EMT certificate to the completed form.

II The EMS Program Manager sends the form with attached documentation to the Registrar’s Office.

III The Registrar’s Office staff reviews documentation and makes the final determination of eligibility before posting the articulated credit to the student transcript.

Provisions:

I Based upon the EMS Program Manager's verification, and review by the Registrar’s Office, students who have a current EMT certificate will be awarded the appropriate college credit. A maximum of eleven (11) college credit hours for Emergency Medical Technician (EMT), as specified by the college catalog, shall be granted for the current Florida Emergency Medical Technician (EMT) certification.

II For credit to be posted to the student’s transcripts, the student must complete twelve (12) hours of college level course work at Seminole State College.

III There will be no charge assessed to the student for issuance of these credits.

IV Articulated credit might not be recognized or accepted by other institutions.

V The above approved components are based upon the 2009-2010 Seminole State College catalog and are subject to change by DOE, legislative action or by Seminole State College without notice.

VI This agreement takes effect Spring 2010 and replaces any previous agreements. Students who have received credit under previous agreements for this same area are not entitled to any rights or privileges granted under this agreement.

VII This agreement shall be automatically renewed annually for up to a maximum of five (5) years. The agreement is to be reviewed and is subject to change if changes are made to the EMT certification criteria or to the EMT certificate program at Seminole State College.
