Associate Degree in Nursing to Practical Nursing Program
Intra-Institutional Articulation Agreement
Seminole State College

It is the intent of this agreement based upon section 464.008(1)(C), F.S. that courses successfully completed in a professional nursing program as specified within, which are at least equivalent to a practical nursing program may be used to satisfy the educational requirements for licensure as a licensed practical nurse as outlined below.

Student Procedures:

I Students who wish to apply for college credit must make their request through the Program Manager of the Nursing Department.

II Students seeking college credit submit a copy of their transcript to the Program Manager showing courses completed from the Associate Degree in Nursing.

III Students complete a Request for Articulated Credit form which can be obtained from the Department office. This form must be submitted to the Department Chair with the above documentation.

SCC Staff Procedures:

I The Program Manager attaches a copy of the transcript to a completed Request for Articulated Credit form and forwards it to the Department Chair.

II The Department Chair reviews and signs the Request for Articulated Credit form and sends the form with attached documentation to the Registrar’s office.

III The Registrar’s office staff review documentation and posts the articulated credit to the student transcript.

Provisions:

I Based upon the Program Manager’s and Department Chair’s verification, students will be awarded the appropriate college credit as follows:

II There will be no charge assessed to the student for issuance of these credits.

III Articulated credit might not be recognized or accepted by other institutions.

IV Students who are no longer eligible to continue in the College’s Associate in Science Degree in Nursing Program and have been accepted into the College’s Practical Nursing Program may participate in this agreement.

V Students who transfer from another National League for Nursing accredited program in Florida will also be considered eligible under the terms of this agreement.

VI Students who enter the Practical Nursing Program must take the TABE (Test of Adult Basic Education) and achieve a score of at least an 11 in Math, Reading and Language. Students must also complete a Medical Terminology course which is a prerequisite for entering the Practical Nursing Program.

VI Students must complete a demonstration of required lab skills for the Program Manager to be eligible for this articulation.

V The above approved components are based upon the 2009-2010 Seminole State College catalog and are subject to change by DOE, legislative action or by Seminole State College without notice.

VI This agreement takes effect Fall 2009 and replaces any previous agreements. Students who have received credit under previous agreements for this same area are not entitled to any rights or privileges granted under this agreement.

VII This agreement may be renewed on an annual basis up to a maximum of five years at which time the agreement must be redrafted and signed for approval. The agreement is to be reviewed and is subject to change if changes are made to the Associate Degree in Nursing or Practical Nursing programs at Seminole Community College.
