INTRODUCTION
Seminole Community College (SCC) in collaboration with the College of Health and Public Affairs at the University of Central Florida (UCF) has constructed an AS degree in Legal Assisting to the BA or BS degree in Legal Studies. If the program of study described below is followed, it will be possible for students to enter the upper division in the College of Health and Public Affairs with a major in Legal Studies without additional prerequisite hours.
LEGAL ASSISTING

Students intending to major in Legal Assisting should include lower division prerequisite courses within their AS degree. These courses partially satisfy general education requirements at Seminole Community College.

After students have completed the following course protocol, they will be eligible for the AS degree with a major in Legal Assisting at Seminole Community College. Students may continue to follow this protocol and obtain their Bachelor of Arts or Bachelor of Science degree in Legal Studies at the University of Central Florida.
