The Wall Street Journal (available at the Sanford/Lake Mary and Oviedo campuses)
Electronic Articles
The SCC Library provides online access to full-text articles through our online databases. Please note: you must be a student, faculty, or staff member to use these services. Your borrower ID is the 14-digit number beneath the barcode on your student ID/library card. Your PIN number is the last 4 digits of your social security number. You must have your card activated in order to access the databases.

Suggested databases include:

Access Business News (NewsBank)
Business Full Text (Wilson)
Business Source Complete (EBSCO)
General BusinessFile ASAP (Gale)
Hoovers Premium

Web Site Links
The following guide provides Web site links, a list of selected books, and access to online periodical articles about this subject. The Web site links have been researched, evaluated, and annotated by Seminole Community College Librarians. The Librarians have specifically selected these Web sites to meet the research needs of Seminole Community College students.

BigCharts Stock Quotes
http://bigcharts.marketwatch.com/ 08/09
An investment research tool, BigCharts provides stock information from 1970 to date through the use of “interactive charts, quotes, analysis, and market news and commentary”.

The Brint Institute
http://www.brint.org/ 08/09
Such a large collection of links, articles, and guides should not be skipped if you’re looking for information about business or management technology. It is updated daily with news stories and new links, so be sure to check back frequently or you may miss key pieces of information.

Economic Census
http://factfinder.census.gov/jsp/saff/SAFFInfo.jsp?_pageId=sp2_economic 08/09
The Economic Census provides a picture of the United States economy, available every 5 years. It measures business activity in over 500 different industries. Detailed overviews are available for individual businesses and industrial sectors alike.

EDGAR Database of Corporate Information
http://www.sec.gov/edgar.shtml 08/09
This database, operated by the United States Securities and Exchange Commission, collects all official documents required to be filed with the organization. The main purpose of the database is to “increase the efficiency and fairness of the securities market for the benefit of investors, corporations, and the economy by accelerating the receipt, acceptance, dissemination, and analysis of time-sensitive corporate information filed with the agency”.

Fortune Magazine
http://money.cnn.com/magazines/fortune/ 08/09
Fortune Magazine’s home page provides current news articles that supplement the content of their print publication. Another value of visiting the site is the “Rankings” section, where you can view the annual Fortune 500 and Global 500 lists in addition to numerous others concerning all manners of the business and financial sectors.
